**JUDGE POSTPONES DECISION IN WATER WORKS CASE**

Greenville, Oct. 21.—Judge Meuninger, who yesterday heard the argument in the Paris Mountain Water company case, will hand down his decision between now and next Monday whether the city of Greenville can legally institute condemnation proceedings for the ultimate possession of the waterworks. It is known that Judge Meuninger was prepared last night to analyze the varying phases of the case and probably to make his decision today, but failure to provide him with the proper references has delayed the matter.

**POSTPONE CHARLTON TRIAL UNTIL FRIDAY**

Como, Italy, Oct. 21.—The trial of Porter Charlton on the charge of having murdered his wife was today postponed until Friday, owing to the illness of Cecil Picardi, chief counsel for Charlton. A large part of the evidence so far has been expert testimony on the mental condition of the prisoner. Depositions were read from the testimony taken in the United States in the extradition proceedings against Charlton.

**No King at War a Free Mason**

Washington, Oct. 21.—George Fleming Moore, Grand Commander of Masons, declared today that the great soldiers of the world, like Frederick the Great of Russia, and Washington, Lafayette and Wellington, were free Masons.

He said that not one of the kings of Europe which are now at war belongs to the fraternity, although the kings of Denmark and of Sweden, both neutral countries, are grand masters of Masons in their respective kingdoms.

If you want to be followed, go somewhere.—W. T. Ellis.

**PUT SULPHUR ON AN ITCHING SKIN AND END ECZEMA**

Says this old-time Eczema remedy is applied like cold cream.

Any irritation or breaking out on the face, arms, legs or body when accompanied by itching, or when the skin is dry and feverish, can be readily overcome by applying a little bold-sulphur, says a noted dermatologist.

He states that bold-sulphur instantly allays the angry itching and irritation and soothes and heals the Eczema right up leaving the skin clear and smooth. Bold-sulphur has occupied a secure position for many years in the treatment of cutaneous disorders because of its parasite-destroying property. Nothing has ever been found to take its place in treating the irritable and inflammatory skin affections. While not always establishing a permanent cure it never fails to subdue the itching irritation and drive the Eczema away and it is often years later before any eruption again appears on the skin.

Those troubled should obtain at any drug store an ounce of bold-sulphur, which is applied to the affected parts in the same manner as an ordinary cold cream.

Brilliant Event at Elk Home.

The most brilliant event of the early fall was the opening winter season dance at the handsome home of Anderson's Elks club Wednesday evening. The entire club house presented a festive scene, the interior being gay with pink cosmos and scarlet sage.

Receiving and assisting in the guests entertainment were Dr. and Mrs. Ross, Mayor and Mrs. Godfrey, Mr. and Mrs. Causey and Mr. and Mrs. Kurt Smith.

In the lovely ball room upstairs punch was served by Mrs. Causey. Here many couples danced to the splendid music furnished by Driskell's orchestra.

On the lower floor cards and pool furnished much pleasure for those not dancing.

Later in the evening a delicious salad course was served. This closed a most delightful event, the Elks proving themselves most successful hosts.

The following dancers were present: Mr. and Mrs. Swain N. Gilmer, Mr. and Mrs. W. D. McLean, Jr. and Mrs. A. S. Farmer, Mr. and Mrs. C. W. Causey, Mr. and Mrs. J. H. Godfrey, Mr. and Mrs. E. E. **Alderman-Rice.**

One of the prettiest of the October weddings was that of Mr. Blair Rice, formerly of this city, and Miss Mabelle Alderman on Thursday evening, October 14th at 7 o'clock at the Clarendon Baptist church at Alcolu, S. C.

This is an unusually handsome church done in pure white in the interior, and the artistic green decorations against the white formed a most charming scene.

To the sweet strains of the wedding march played by Mrs. Haltwanger of Columbia, the bridal party entered the church, and formed a semi-circle around the charming bride. Those in the bridal party were: Miss Martha Alderman, sister of the bride as maid of honor, with Mr. I. R. Rice of this city, brother of the groom as best man. The two dames of honor were Mrs. D. C. Shaw of Sumter and Mrs. B. E. Geer of Greenville.

Miss Louis Montgomery of Spartanburg, Miss Sara Tanager of Charlotte, N. C., Miss Aileen Howie Manning, Miss Edna Brookington of Manning were the pretty bridesmaids. The ushers were Messrs. Max Rice of Belton, Hulon Campbell of Belton, Ethan Frierson of Belton and Ervin Shaw of Sumter. These joined the bridesmaids at the altar and came out together two and two. Little Miss Margaret Alderman and John Geer were the dainty little ribbon bearers. The beautiful ceremony was performed by the pastor, Rev. H. A. Williams.

All the bridesmaids and dames of honor wore pure white dresses, and carried shower bouquets of white rose buds tied with pink tulle. The bride's bouquet was of lilies of the valley showered with white rose buds. Immediately after the ceremony the bridal party and a large number of friends were entertained at an elegant reception at the beautiful home of the bride's parents, Mr. and Mrs. D. W. Alderman.

Mr. and Mrs. Rice are now in Belton where they will make their home, Mr. Rice being a prominent young business man there.

**Daily Practices for the Kirmess.**

Over two hundred children are being trained daily for the Kirmess which will be put on here about the last of the month, and unless one sees these practices they can have no idea of the charm and beauty of this performance. The different scenes and dances are beyond description and will be one of the most brilliant affairs ever staged here. The children under the skillful guidance and direction of Mr. Charlton are rapidly catching the spirit of the Kirmess and some of the older people too have caught the inspiration, and each afternoon and night there is a large and interested throng of ladies who are present for the practices. In fact the Kirmess has filled the town and the deepest interest and enthusiasm is being manifested in the play.

The play was put in Greenville last night to a crowded house and the Greenville papers are enthusiastic in their praise for the performance.

**Recommend Chamberlain's Cough Remedy.**

"Last winter I used a bottle of Chamberlain's Cough Remedy for a bad bronchial cough. I felt a beneficial effect immediately and before I had finished the bottle I was cured. I never tire of recommending this remedy to my friends," writes Mrs. Williams of Greenville.

**Never take popsin and preparations containing popsin or other digestive ferments for indigestion, as the more you take the more you will have to take. What is needed is a tonic like Chamberlain's Tablets that will enable the stomach to perform its functions naturally. For sale by all dealers.**

**Anticipating Daytime Darkness.**

The power house of a well-known electric company, New York, the mighty outflow of current from the generator rises and falls with the big steadiness that comes from use by half a million people at once, and is completely watched. Only when a black storm covers the city in the daytime, and millions of lights are simultaneously turned on, is there any sudden rush of the flood.

And this is prepared for to the minute. Added fires under boilers and reserve turbo-generators get into action without waste or failure. The stop has been electrically spied out when it was still 40 miles away. The antenna of a wireless station atop the power house has felt its static influence and given warning through instruments below of the approach. When the load comes suddenly upon the cables the machine is already getting in motion to meet it.

**The Lion's Dinner.**

A very stout lady, at the zoological gardens, was seeing the lions fed for the first time, and was rather surprised by the limited amount of meat that was given them, says The New York Evening Post.

"That seems to me to be a very small piece of meat for the lion," she said to the attendant.

The man looked at the good lady's more than ample girth with a judicially appraising eye.

"It may seem a small piece, indeed, to you, madam, he said, "but it's a feast for the lion."

**BARNUM AND BAILEY CIRCUS MADE BIG HIT IN AUGUSTA**

The following article about the Barnum and Bailey circus which plays here today was clipped from yesterday's Augusta Chronicle. The circus played Augusta Wednesday. The entire article was quite a lengthy write up, and very complimentary all the way through. But the gist of the story is contained in the two paragraphs quoted below.

"Barnum & Bailey's circus this year is more wonderful than ever. With hundreds of skilled acrobatic performers, animals with almost human intelligence, together with a corps of clowns, there is not a dull moment from the time the performance begins to its conclusion. The trained elephants this year comprise an especially interesting feature of the program, and their battlefield performance was quite pertinent and received hearty applause. The roller skating bear proved a novelty, while the slack wire dancers were exceedingly clever, and the tableaux were beautiful in the extreme and wonderfully artistic.

To give an adequate and complete description of the performance would be almost impossible, and the simple statement that the spacious tent was filled both afternoon and night, and that everybody went away satisfied, even if the mud was ankle deep, is sufficient proof that Barnum & Bailey's 1915 show is a success in every sense of the word, and will find a welcome waiting it on its next trip to Augusta."

**SALTS IS FINE FOR KIDNEYS, QUIT MEAT**

Flush the Kidneys at once when Back hurts or Bladder bothers.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.

**SENECA ROBBERS LEAVE SOME LOOT**

Part of Booty Found Near Scene of Robbery—No Clue Found Yet.

Seneca, Oct. 21.—Local policemen late last night found where the yeg-men who rifled the postoffice here yesterday morning, discarded part of the loot. The find was at the rear of a blacksmith shop, not more than a hundred yards from the postoffice. Officers are surprised that they stopped so near when a dozen men were scouring the town to rthem.

Postoffice inspectors have not yet arrived in Seneca and Mr. Lawrence has not made a statement as to the exact loss.

**New York Stocks.**

New York, Oct. 21.—Bethlehem Steel continued a record-breaking rise, opening 6.50 an overnight gain of 21. It later reached 5.90 7-8, then about midday reacted to 5.80. General Motors and Studebaker also added to the previous high prices. Rock Island was heavy.
